90 Mile Stretch Espresso - Rated 90 out of 100 Blind Assessment - Very sweet-toned aroma with floral hints. In the small cup medium-bodied and slightly lean in mouthfeel, crisp, cedary, with raisiny, licorice-toned fruit. Slightly heavy finish but excellent flavor persistence, with the fruit turning toward chocolate. Comes into its own in milk, where it is balanced and roundly rich, with deep semi-sweet chocolate character. -
